round!\*

\*Subject to availability and other conditions.

# UNLOCK YOUR GOLF POTENTIAL

Whether you're new to the game or an experienced golfer looking to shave a few strokes off your score, our expert team can help. Our four-week and eight-week packages for adults and youth (ages 10 to 18) include:

- Biomechanical swing analysis
- Instruction with a professional golf teaching pro and a sports therapist
- Customized progressive exercise conditioning program
- Muscle energy and activation training techniques
- Gait analysis and footwear clinics

Get more out of your game! Call 1-866-980-8886 or visit [mobilehealthnetwork.ca/registration](http://mobilehealthnetwork.ca/registration) today.

Makes a great gift!
