Dear Marjan:

I would like to thank you for the wonderful service you provided with regard to the occasion of my husband's birthday / retirement party on Saturday June 27, 2009.

Your personal attention made us feel very special. We appreciate your help and patience with every little detail which was important to us, thus making this special party into the excellent event we had planned.

We will definitely keep this venue at the top of our list for any future occasions.
